### Tennis Club

There will be a meeting of all those interested in Tennis, in the Hotel, at 8 p. m. tonight. Election of officers and plans for the coming season will be discussed. Everybody invited.

### STONELAW U. F. A.

The regular meeting of the above Local, called for the 18th, at Minor School, has been postponed until Friday April 25th.  
T. J. Blackey Pres.

### NAPEN-LANGAGER

A quiet wedding took place at the home of Mrs. Langager, on Tuesday April 8th, when her daughter Josephine Louise, was united in marriage to Hans Napen. The ceremony was performed by Rev. H. T. Egedahl.

The News joins in extending congratulations to the happy couple.

Grant Elliott, of New Bridgen returned home last week, after spending the winter months in Missouri.

Lieut. A. E. Walker returned home on Tuesday from overseas after a couple of years service. He was a member of the Royal Air Force.

J. McNish and family moved out to the farm last week.

Two more local boys, Thomas Martin and Phillip Whitney, arrived home this week. Both seen considerable service over in France, but came through unscathed.

### SPORTS DAY

At a meeting held on Wednesday, in the Hotel, it was decided to hold Monitor's Sports Day on the 18th of June. The following officers were elected, G. Lucas Pres., A. H. Garries Vice-Pres., G. E. Dickson Secy-Treas. Committees were also formed to look after the affairs in connection with the Day.

The ladies served refreshments during the evening.

### Municipal Hospital Act

A largely attended meeting was held in the Band Hall on Tuesday night when Mr. Robertson, of the Provincial Health Department, Edmonton, spoke on the above Act. The speaker thoroughly explained the Act in detail, giving facts and figures on its operation. A resolution was passed heartily endorsing the forming of a Municipal Hospital District.

Sergt F. H. Piper, a local man who put in considerable service at the Front, arrived home yesterday.

The rain last week was more than welcome and will give an excellent start to the grain. A number of farmers are now at seeding, but it will be a few days yet before it is general in this district.

Get your Gopher Poisons and Formaldehyde at the Kennedy Drug Store.

The local branch of the G. W. V. A. is tendering a Dinner, on Sunday, to all the returned soldiers in the district, and a hearty invitation is extended to every returned man.

Every Returned Soldier is cordially invited to attend an Association Dinner [free] to be held in the Hotel, Sunday April 13th, at 1.30 p. m., followed by our regular monthly meeting.

Yours Fraternally

G. W. V. A.

[Monitor Branch]

## Money To Loan On Farm Lands

I am placing liberal loans in the Monitor district.

As I do my own inspecting you do not have to wait for an Inspector to come from the Head Office.

See me about your loan.

BUSY BIDEFORD

It is with much regret we announce that the flu is in our district. Three families have taken sick, G. Garrison, F. Galloway, and O. Phillips. We hear the men folks are sick as well as the women. George McLeod is nursing in the South and Mrs. Rexer at the Phillips'. We hope to hear good news of our neighbors soon and wish them a speedy recovery.

On account of the flu the W. L. meeting at Mrs. N. D. Robinson's is called off.

We had the pleasure, last week, of joy-riding for the first time this season. There seems to be still a good deal of snow in places.

April Fools' Day found us making fools of ourselves and each other, and quite a number of good stunts were pulled off here. It was our privilege to see the poetical effusions of a certain young lady in town and must say they were worthy of publication. There were fool telegrams going around and many were caught napping.

We hear Mrs. Stinson passed thru here on her way home to Alix, looking remarkably well.

Mr. Brett preached an excellent sermon from the very practical teachings of St. James. The true test of our religion, said the preacher, was not church attendance, but believing that God had placed us in our spheres of life to work there for and with Him. If we did so we were truly religious, not by any outward act of worship.

A large attendance is specially requested on Easter Sunday, April 20th.

We heard certain small boys say, "Oh, we wish there was a Sunday School on Sunday for us children."

We hear that an enjoyable time was spent at the recent dance given by the "Bunch of Bideford Sports" in the School-house. They "tripped the light fantastic toe" till the wee sma hoors o' mornin' and an early riser tells us when he got up at five o'clock he saw the revellers just going home.

We hear also that several young people of this little city are keeping bad hours right along, playing "fifteen hundred" till past midnight. May we remind you that if you will burn the candle at both ends you are playing a game that is not worth it. Your roses will soon fade from pink to white, dear girls, and when you lose your beauty sleep you'll look withered and wrinkled, and like the last rose of summer you'll be left blooming alone. (No, gentle reader, we are not slangy, we merely quote immortal Tom Moore.)

Amongst the dancers were Miss Slinggirl, Mr. Longboy, Mr. and Mrs. Newlywed, and the usual old-timers. Yes, the boy who wears wings (not clothes) was there too, and he whispered in our ear he'd had some excellent shooting with his wee bow and arrows.

"But we think it stupid, we've no use for—"

**Every Farmer  
In This District  
Should Read The  
Nor'-West Farmer**  
Western Canada's Oldest Farm Paper

If you are already a subscriber you will want to renew your subscription for another year, and if you are not a subscriber to it you ought to be. No farmer in these days of high prices and labor shortage can afford to do anything but his very best. Through a good farm paper you will get ideas worth many times the small subscription price. Each issue of The Nor-West Farmer is full of valuable information that any up-to-date farmer can use to his own direct advantage. It is edited for the whole farm family. If any reader wants information on any subject relating to either their farm problems or anything else The Nor-West Farmer information bureau will get that information for them. Their official veterinarian and legal adviser is at the service of every subscriber, free of all charge. If you have a weed problem, a soil drifting problem, a feed problem, tractor, automobile, or gas engine trouble of any kind, read The Nor-West Farmer, and you will soon get a wealth of ideas from the experience of other farmers who have experienced and solved similar difficulties. The Nor-West Farmer is a "round-table," around which the best farmers of Western Canada meet. Will you be one of them?

**Subscribe at This Office**

We have been authorized to accept subscriptions at this office, and can save many farmers in this district real money. Read this:

Gopher Fund

Subscriptions to the above fund in connection with the Creek Valley School will be welcome. Pending government action in the matter, the Creek Valley Trustees and the Teacher are anxious to encourage the destruction of the gophers and are offering a bounty for their tails. A double amount is being given for all killed before April 21st. Mrs. Teetzel keeps a strict account, and some of the children have already killed from two to three hundred, so hurry up with subscriptions to any of the trustees.

## Note and Comment

The public hardly realizes the  
extent to which Canada's ex-  
port trade is dependent on the  
providing of credits for other  
governments. Since the mid-  
dle of 1918 credits amounting  
to \$240,000,000 have been ad-  
vanced to the British Govern-  
ment.

This money came from the  
Canadian public in the form of  
loans. Out of their savings  
over 1,000,000 people in this  
country bought Victory Bonds,  
and thus provided the funds out  
of which these advances were  
made. This practice must be  
continued if Canada is to get  
her share of the export trade.  
Those who buy War Savings  
and Thrift Stamps help supply  
money for these credits.

Any doubt about what the  
people here think of the need  
of hospital accommodation was  
dispelled at the meeting held  
on Tuesday night. Although there  
was only a short notice, close  
to one hundred men and women  
turned out to hear the Munic-  
ipal Hospital Act explained.

The delegation from Consort  
were a trifle huffed at not hav-  
ing been notified of the meet-  
ing, and thought that we were  
trying to put something across,  
but as the meeting was merely  
a local affair they had no kick  
coming. A lively discussion  
took place after the scheme had  
been fully explained by the  
government organizer.

With a district comprised of  
about forty-two townships the  
financial and other problems  
are more easily overcome.

Some people make a specialty  
of killing time for others.

An effort has been made to  
picture the surprise in store for  
the Hun commercial traveler  
when he starts out, after peace  
is signed, with his samples.  
The reception that he will get  
will surely convince him that war  
does not pay.

By the use of hotbeds and  
cold frames plants can be grown  
through their earlier stages out  
of doors even before the grow-  
ing season has arrived. By the  
use of these, garden crops can  
be secured much earlier in the  
season than if seeding is delay-  
ed until the soil is warmed up  
in the open garden. Such crops  
as radish, lettuce, spinach, and

other vegetables can be made  
to reach a marketable size rel-  
atively early in the summer.

Such vegetables as peppers,  
egg plant, melons, etc., can be  
so hastened in the spring as to  
ensure their maturing before  
the frost period arrives in many  
parts of Canada where these  
crops are not usually grown.

While hotbeds, as the term  
signifies, are heated with fer-  
menting manure, the cold frame  
depends upon the sun shining  
through the glass sash to warm  
up the soil and start growth.  
The cold frame, for that reason,  
is more easily adopted, altho it  
cannot be used to so great an  
advantage.

This information is taken  
from Pamphlet No. 19 of the  
Dominion Experimental Farms  
which can be had free from the  
Publications Branch, Ottawa.  
The method of constructing  
hotbeds and cold frames, as  
well as the system of using  
them, are fully described in this  
publication.

## The Outstanding Product of a Large Manufacturing House

FOUR large factories and five dis-  
tributing warehouses stand back  
of Brandram's Genuine B.B. White  
Lead.

Every step in its manufacture is  
closely watched by chemical engi-  
neers—nothing is left undone which  
would help to maintain the quality of  
the world's finest white lead.

## Brandram's Genuine B.B. White Lead

is different from any other white lead. To be-  
gin with, it is corroded by several secret pro-  
cesses which are then merged into a pigment of  
marvellous smoothness. This pigment is ground  
no less than five times, first under huge stones,  
and finally between heavy steel rolls. In this  
grinding process, it is made into a pulp by be-  
ing mixed with pure refined linseed oil made  
in our own linseed oil mills.

Whenever you paint, use Brandram's Gen-  
uine B.B. White Lead if you mix your own  
paint. If you want to save the labor of mixing  
you can ensure the use of this quality pigment  
only by getting B-H "English" Paint.
